Car 1 starts at 20.01 with a tie break test of 0.8miles on private land (sealed surface) and then it's a compact 40mile route to get the last car back by 22.00 for pigs in blankets and mince pies, tea and coffee, sorry no alcohol so if you want a beer, you'll have to bring it with you (at least it will be cheap)

Maps 120 and 129 will be required latest editions, older maps may work at your own risk.
