**Scrutineering:** Remember, for AutoSolos, the cars must be driven to the event and should therefore be taxed & MOT'd

**Signing On:** If you have not sent a copy of your club card & competition licence to pat.egger@me.com, please bring them.

**Numbers:** These will be supplied and should be affixed to both sides of the car. Note the colour of these numbers matches the group you belong to (see below)

**Catering & Toilets:** Tea & Coffee will be available, but we have no catering, there are many catering facilities within a short walk. Toilets should be onsite.

**The Tests:** There is one test site. You will get three attempts at each test layout, best 2 to count. We plan to run at least 4 rounds, to facilitate this please report for driving and marshalling duties promptly. Test layout 2 is test 1 in reverse. Test 4 will be test 3 in reverse.

The entry has been divided into **FOUR** groups identified by colours, and will follow the sequence shown on the next page.

### Marshalling:-

- All competitors are required to contribute to the marshalling. This is why we have four groups so that even if you are also acting as a passenger, you can do your share.
- Go to the Marshalling Coordinator, immediately following your runs.
- The Marshalling Coordinator will be keeping a record of who has marshalled.
- If for any reason you are unable to marshal you need to discuss this with the Marshalling Coordinator.

**Results** these will be live on “TimingAppLive”

**Event Paperwork:** The latest entry list is on “TimingAppLive” and all other event paperwork is available on the events page at [www.loughboroughcarclub.co.uk](http://www.loughboroughcarclub.co.uk)
