Scrutineering: There is no scrutineering before the event, random checks for safety and eligibility will happen whilst the event is under way.

The Tests: There is one test site. You will get four attempts at each test layout, best 3 to count. We plan to run two different layouts. To facilitate this please report for driving and marshalling duties promptly.

Walking the Tests: It is strongly recommended that you walk the tests to familiarise yourself with the route. There will be time to walk each layout in turn. Please arrive in good time so you can walk the first layout.

Marshalling: You will be helping with the marshalling. The Marshalling coordinator will be checking this. Your marshalling session is usually immediately after your driving session. Juniors may Marshal together with a parent/adult but Marshalling must be done, if this needs to be done out of session you must arrange this with the marshalling coordinator.

Numbers: These will be supplied and should be affixed to the side of the car. You will be given these at Signing On. Note the colour of these numbers matches the group you belong to (see below).

Catering & Toilets: Garage 39 will be OPEN, there will be catering and toilets

Trailers: Any Competitor who brings a trailer into the paddock will be taking part in the PCA and not scoring championship points.
