**Signing On:** will be in the Launch Pad building just next to our paddock.

2026 Licences & Club Cards must be presented at signing on.

**Scrutineering:** There is no scrutineering before the event, random checks for safety and eligibility will happen whilst the event is under way.

**The Tests:** There is one test site. We plan to run two different layouts. We hope to give you four attempts at each test layout, best 3 to count. If we have to reduce this to three then the best two will count. To facilitate this please report for driving and marshalling duties promptly.

**Walking the Tests:** It is strongly recommended that you walk the tests to familiarise yourself with the route. There will be time to walk each layout in turn. Please arrive in good time so you can walk the first layout.

**Marshalling:** You will be helping with the marshalling. Please report to the marshalling coordinator next to the start line immediately you have finished a driving session. The Marshalling coordinator will be checking this. Juniors may Marshal together with a parent/adult but Marshalling must be done, if this needs to be done out of session you must pre-arrange this with the marshalling coordinator.

**Numbers:** These will be supplied and should be affixed to the side of the car. You will be given these at Signing On. Note the colour of these numbers matches the group you belong to (see below).

**Catering & Toilets:** Toilets are in the Launch Pad Building. Facilities to make yourself teas & coffees are available near start/finish area. If possible, bring your own mug.

The Garage 39 cafe will be CLOSED so you need to provide for yourself.

**Trailers:** Any Competitor who brings a trailer into the paddock will be taking part in the PCA and not scoring championship points.

**Results Service:** All timing & results are on the “TimingAppLive phone app. This can be downloaded for free, but you do not need it in order to compete.

The entry has been divided into 4 groups identified by colours, and will follow the sequence overleaf.
